

KRAMERIA & ALVORIA FRIENDSHIP AGREEMENT

In the pursuit to improve relations between two active Mock Governments. In the belief that collaboration and diplomacy is essential between the two countries to ensure joint growth and activity.

IN THE REPUBLIC OF KRAMERIA
IN THE ALVORIAN EMPIRE

04/11/25

Written by: Secretary of State Softing & Kanzlerin Armani

AN AGREEMENT

Upon the signing of this agreement in both countries, both countries have consented to the following criteria:

SECTION 1. *The Agreement, as written by Softing and Armani*

This shall be referred to in short terms as the “Frithcloth Agreement”.

Friendship Protocol

1. Alvoriana and Krameria shall be considered friends and will not take any hostile actions whether it be military invasion or espionage.

Embassy Protocol

1. Both sides shall have embassies of each other in their servers. Those embassies shall exist in a forum channel of servers. Those forum channels shall be named with each other's names and “-embassy”.
2. Both sides shall appoint an ambassador to each other.
3. Ambassadors shall have diplomatic immunity and can only be imprisoned to their embassy channels, in case of criminal charges.
4. Ambassadors shall be able to control their embassy channels and post things they deem appropriate which are following rules of ToS.

Passport Protocol

5. Both sides shall be able to have their own passports or passage documents which include the following and shall be able to grant those to their citizens.
6. Those documents should include ID, name, gender account creation date, documentation ID and alternative account status of the user.
7. Those datas shall be uploaded to a joint database and both sides shall be able to verify documents from that database and upload their granted documents data to that database.
 - a. Unless sides agree to use another system, they shall use google sheets.
8. Both sides shall grant each other's citizens with those documents free passage and citizenship upon their request. Kramerians will get residency automatically but will need to create a character in the relevant channel first before getting Citizen. They shall be considered secure and friendly automatically.
9. This protocol for passports and passage documents can include other future sides upon agreement of both sides.
10. There shall be no requirement of time and message limit for residency or citizenship, for those who have a passport, on both sides.

11. Citizenship can be lost through breaking server rules (up to the discretion of the Staff) or for roleplay death (Alvorio).

Exchange Rate Protocol

12. There shall be a google form for citizens of both sides to apply for exchange of currencies between servers.
13. Exchange rates between sides shall be decided according to their divide of total count of money in citizens hands in selling side to base side. Exchange rates shall update every week, and sides shall be able to make deals with each other to change calculated results to ensure more fair exchanges..
14. Upon citizens filling the forum, the base currency side server shall collect citizens' related amounts of money and give it to the bank account of the other side in the server. And in exchange, the other side will grant an exchange rate calculated amount of money to the citizen's account on their server.
 - a. Each side shall decide and change their bank accounts in each other's servers.
 - b. Exchange actions shall be able to be rejected by each government.

Recognition Protocol

15. The Alvorian Empire, under the Ownership of Armani J. H. at the time of writing the agreement, shall formally recognise the 17th Republic of Krameria as the sole legitimate Kramerian state and the lawful successor to all previous Kramerian governments.
16. Any other entity claiming the title or sovereignty of "Krameria" shall henceforth not be recognised as a sovereign state by the Alvorian Empire.
17. The 17th Republic of Krameria, under the Ownership of James Hersey at the time of writing the agreement, shall in turn formally recognise the Alvorian Empire as the sole legitimate Alvorian state and the lawful successor to all previous Presernovan governments.
18. Any other entity claiming the title or sovereignty of "Alvorio" shall henceforth not be recognised as a state by the 17th Republic of Krameria.

SECTION 2. *Expiration Clause*

This Agreement shall remain in perpetuity unless revised by both countries jointly.

SECTION 3. *Implementation*

1. This agreement shall come into effect immediately. Relevant authorities, and relevant government agencies shall take necessary actions to enforce the provisions outlined in this agreement.

SECTION 4. *Legitimacy*

1. This agreement will be only considered legitimate if signed by the relevant authorities in Krameria and Alvorio.

SECTION 5. *Signatories*
